

20 April 2020

**Request under The Freedom of Information (Scotland) Act 2002**

Thank you for your Freedom of Information request dated 24 March 2020, in which you requested the following:

Under Freedom of Information I would like to request documents/minutes between VisitScotland and the Scottish Government relating to the Scottish Government's decision to exclude self-catering businesses from the scheme for £10,000 grants for small businesses in receipt of the Small Business Bonus Scheme or Rural Relief being offered as part of the Covid 19 crisis.

I have considered your request and can respond as follows:

There are no documents or minutes held of conversations between VisitScotland and the Scottish Government concerning Scottish Government support for self-catering businesses.

Since your enquiry, and as you will know, The Association of Scotland's Self-Caterers, with support from The Scottish Tourism Alliance has been pressing the Scottish Government for further financial assistance for self-catering businesses. These representations, made directly to Scottish Government Ministers, are ongoing.

VisitScotland continues to work to ensure that the issues and concerns of the tourism sector are presented to the Scottish Government. For example, by establishing and chairing the Scottish Tourism Emergency Response Group, VisitScotland is ensuring that this forum, which includes senior Scottish Government tourism officials, provides a further communication channel for the industry to government.

Here is a link to the STERG section of VisitScotland.org, which includes a note of the discussion from each meeting.
