## Your request for information under the Freedom of Information (Scotland) Act 2002 (“the Act”)

Thank you for your request for information which was received by VisitScotland on Monday 19 August 2024:

*“Can you tell me where I can find a list of events funded through event Scotland funding from 2012 to 2024 including the amount of support received per individual event?”*

### VisitScotland’s response

We do not currently publish a list of all events funded through EventScotland for the dates given. You can find a list of funded events for 2023 and 2024 at the following link. This covers events across our programmes, but does not include values or a note of the Event Organisers [Event Funding Programmes in Scotland | VisitScotland.org](#)

You can also find information on our financial expenditures over £25,000 at the following link, which dates from 2012: [VisitScotland’s Disclosures 2013-2024 | VisitScotland.org](#) This is not specific to events but does show suppliers, value of payments, and a description of the supply – eg., “Event Grant” or “Sponsorship.”

Please note that as you have asked us where you can find a list of events, we have interpreted your request as a request for information on where we publish information about our funded events. Should you wish to request additional information on the events funded by EventScotland, please contact [FOI.Requests@visitscotland.com](mailto:FOI.Requests@visitscotland.com) with your further request and we will be happy to consider this.
