Dear Sirs

Asset Transfer Request - Decision Notice
Castle Douglas Development Forum
Tourist Information Centre, Market Hill Car Park, Castle Douglas

This Decision Notice relates to the asset transfer request made by Castle Douglas Development Forum ("the Community Transfer Body") in respect of the subjects comprising the former Tourist Information Centre at Market Hill Car Park, Castle Douglas ("the Property"), the asset transfer request having been validated on 22 May 2020.

I write to confirm that VisitScotland has decided to agree to the request.

The request was evaluated by VisitScotland and the proposals outlined by the Community Transfer Body were considered. Approval was thereafter sought from the Board of VisitScotland to approve the asset transfer request. Such approval was granted on 11 June 2020.

The reasons for the decision are as follows:

1. The Property has been declared surplus to operational requirements.
2. VisitScotland must agree to the request unless there are reasonable grounds for refusal.
3. The Community Transfer Body is currently in occupation of the Property. The Community Transfer Body provides employment for 2 part time employees and offers valuable work experience and volunteering opportunities for vulnerable groups within the local community. The Community Transfer Body intends to consolidate their progress and success made during their trial lease period to provide local management of information provision and create a community focal point.
4. The Community Transfer Body have offered £1 for the Property on the basis that there is a title condition affecting the Property that limits the use of the Property to information provision only. Whilst this burden could potentially be removed from the title to the Property due to the passage of time, this would be at a cost to VisitScotland. The Community Transfer Body have invested in replacement heating and a new entrance door and hope to make further improvements to the Property in due course.
VisitScotland are prepared to transfer ownership of the Property to the Community Transfer Body, but that subject to the following terms and conditions:-

(One) The sale price shall be ONE POUND (£1) STERLING (excluding VAT, if any).

(Two) The Property shall be used solely for community use by the Community Transfer Body, as outlined in their constitution and in accordance with the proposals contained in the Community Asset Transfer Request made by the Community Transfer Body. Any change in use will require the prior written consent of VisitScotland which shall not be unreasonably withheld where the proposed use is consistent with the aims of the Community Transfer Body’s constitution. This condition will require to be framed as a real burden in terms of any Disposition to be granted by VisitScotland to the Community Transfer Body.

(Three) VisitScotland would require an overage agreement to be put in place (to be secured by way of a standard security over the title of the Property) to reflect the nominal price of £1. In the event the Community Transfer Body sells the Property within a certain period of time, VisitScotland would require the following in respect of a clawback: (i) 75% of sale profit after costs if the Property is sold within 5 years from the date of transfer of the Property from VisitScotland to the Community Transfer Body and (ii) 50% of sale profit after costs if the Property is sold within 10 years from the date of transfer of the Property from VisitScotland to the Community Transfer Body. The terms of the Overage Agreement and Standard Security will be in a form acceptable to VisitScotland.

(Four) The transfer will be conditional on:

   (a) satisfactory confirmation that any offers of grant/funding for delivery of the project are in place at the date of transfer to the Community Transfer Body;

   (b) the Community Transfer Body confirming that they are satisfied with the terms of the titles to the Property / confirming that any title issues have been resolved to the Community Transfer Body's satisfaction (both parties acting reasonably); and

   (c) any consents including planning and other statutory consents and permissions required to deliver the project being in place at the date of transfer.

If you wish to proceed, you must submit an offer to VisitScotland to acquire ownership of the Property no later than 6 months from date of this Decision Notice. The offer must reflect the terms and conditions stated herein and may include other reasonable terms and conditions as may be necessary or expedient to secure the transfer within a reasonable period of time.

The offer must be prepared by a firm of solicitors and should be addressed to:-

FAO Amy Entwistle
Morton Fraser LLP

The offer must also contain the following:

1 The name of the Property for which the offer is made.

2 The name of the Community Transfer Body.
3 The date of the Decision Notice.

4 Confirmation that the Community Transfer Body will enter into the Overage Agreement and grant the Standard Security securing such obligations on the terms outlined above.

5 Confirmation that any offers of grant/funding will be in place at the date of transfer.

6 Confirmation of the necessary consents and permissions that are in place and those that remain outstanding at the time of the offer (if any).

7 Confirmation that the specific terms and conditions under which the Decision Notice was issued are acceptable.
