Promoting the Provenance of your Food and Drink for Hotels
Taste Our Best is VisitScotland’s certification scheme to recognise and celebrate businesses that provide and promote locally sourced quality food and drink.

Research has shown that sampling local produce is one of the top activities undertaken by visitors to Scotland. Visitors will pay up to 15% more for food from Scottish origin and businesses promoting Scottish produce typically enjoy up to 20% higher sales.

A Taste Our Best award can help you stand apart, attract more customers and improve your bottom line as it makes it easy for visitors to identify your business as one which delivers the very best Scottish food and drink experience.

A key part of the Taste Our Best award is ensuring your customers can easily identify the Scottish produce you use in your offering, which they’ll be looking out for. To achieve the award information on where the Scottish products you use are from and its producers should be clearly promoted. The provenance information (where it has come from) of the Scottish produce you use can be added to the descriptions of individual items on your menu, or alternatively you could promote this in a separate provenance statement (examples are provided in this guide).

For more information on the full requirements to achieve Taste Our Best please download the appropriate criteria document from visitscotland.org/taste-our-best.aspx.

Top Tips

- If you serve lunch and/or dinner, for main dishes to count towards the award the key ingredient and a second element/ accompaniment (e.g. vegetables, sauce, stuffing, etc.) both need to be Scottish sourced.

- Information should focus on the provenance and producers of the products you are sourcing not just information on your supplier. For example your meat supplier may be a Scottish company, but the range of meat products they provide could be sourced in Scotland or elsewhere. The focus is on where the primary product is sourced, or if it is made by a Scottish company (e.g. jams, baked goods).

- Make sure to promote the provenance of the ingredients on your breakfast and dinner menu. For dinner the assessors will be considering dishes on your A La Carte and Specials menus.

- Don’t forget about your desserts and make sure to promote the Scottish eggs, and dairy products, like butter and cream, you may have used in the making.

- Remember- in order to demonstrate seasonality, menus should be changed at least twice a year. It would be great if you have a previous menu available to show the Quality Advisor at your assessment.

- The story of your Scottish provenance can be told in many different ways. Be original, use maps, photos, board displays, the inside front page in your menu, a tent card on your tables or anything else you think will illustrate to your customers the range of the Scottish products used.
Provenance Statements

A provenance statement should include provenance details for the produce and products you use and could be added to your menu or made visible to your customers alongside your menu (e.g. table tent cards, on black boards, etc.).

An effective way could be to use a combination of both the menu and provenance statement. Promote the provenance of your key ingredients in your menu descriptions and also have a provenance statement with more detail on the full range of produce you use.

The more you can help your customer learn about the producers and the background and story of where the food they are eating comes from the better.

By helping your customer understand the quality and provenance of the products you use, you can justify a price premium on some products and services.

It is also a great opportunity to promote all your region has to offer and provide your customers with a taste of Scotland.

Examples

In this guide you will find a number of examples of how to promote provenance for your breakfast and dinner, from provenance statements to menu descriptions. The examples are designed to provide you with some ideas to help you and find the most suitable way to promote the Scottish food and drink used in your business. The examples are based on businesses who have achieved the Taste Our Best award.

Additional Advice

You may find the ‘Provenance from Producer to Plate’ (www.thinklocalscotland.co.uk/Provenance_from_Producer_to_Plate.pdf) toolkit useful, which provides more guidance on legal requirements and best practice guidelines for food and drink origin declarations on menus, which helps to provide clear and consistent information to consumers when eating out.

To find Scottish producers in your area you can visit the Scotland Food and Drink Showcase (www.scotlandfoodanddrink.org/showcase.aspx) website or you can visit your nearest Farmers’ Market or Farm Shops (www.thinklocalscotland.co.uk) and see what is available in your area and make connections with local producers.

The Taste Our Best scheme is being promoted extensively throughout the Year of Food and Drink Scotland 2015 (www.visitscotland.org/year-of-food-and-drink.aspx) and beyond; find out how you can get involved and utilise our free marketing tools.

Taste Our Best Example #3- Provenance Statement

Taste Our Best

At Example Business, we take pride in our cooking and using the best produce from across Scotland. We are delighted to have achieved VisitScotland’s Taste Our Best accreditation as recognition of our sourcing policy and the quality food and drink we provide.

Below is a summary of the provenance of the produce used in our menus, where possible and in season.

Fish and Seafood
Our seafood is hand-picked & delivered by Campbell’s. Fresh from Scrabster and Peterhead fish markets, landed from boats fishing in the North Sea and the Atlantic Ocean. Shetland smoked salmon, that’s smoked over whisky barrel chips to the Campbell’s traditional recipe. All fish is ordered daily by our Chef and his team to ensure you enjoy the freshest produce the Scottish seas have to offer.

Meat
Scotland’s pastures and butchers, provide us with the finest in Aberdeen Angus steak, Highland lamb, and Border pork. Charles McLeod’s Stornoway black pudding is a favourite, Simon Howie’s bacon and breakfast sausages from Scottish Pork are always used. We get the famous haggis from Paisley’s W.P. Tulloch and T & R Skinners of Kippen supplies us with specially made sausages from a variety of Scottish meat, like pork, beef, and venison.

Fruit and Vegetables
When possible and in season, we source Scottish vegetables, from Perthshire & Lothians, Albert Bartlett Rooster potatoes from Airdrie. Our seasonal local soft fruits & berries are from Perthshire and Fife.

Dairy and Eggs
We use a wide range of Scottish Cheeses such as Isle of Mull cheddar and Lanark Blue, a blue sheep’s cheese, as well as organic Clava brie and Crowdie from Connaghe Highland Dairy. Dairy products like milk, cream and butter are from Graham’s Dairy. We use free range eggs from Glenrath Farm in the Borders.

Preserves and Honey
We use Scottish jams and Scottish honey.

Bread and Baking
Our cakes, scones, and desserts are made in house with Scottish eggs and dairy. Our bread is baked by Breadwinner Bakery in Edinburgh and our Oatcakes are from Wooleys of Arran.

Complementing our food are the impressive locally sourced ales, beers and whisky.
