Visitors with an interest in field sports have been considered by VisitScotland in the development of the Field Sports Welcome scheme which recognises the special efforts made by businesses to provide for them, and to help them choose suitable accommodation.

FIELD SPORTS WELCOME SCHEME

Scotland is widely recognised as the birthplace of many of the world’s premier country sports, which are an integral part of Scotland’s national culture.

The value of field sports in Scotland is estimated by the industry to be over £240m per annum. Those with an interest in field sports also take part in other sports and activities whilst visiting Scotland, spending on retail, golf and eating out to name but a few.

The Field Sports Welcome Scheme covers a wide range of shooting markets from game, wildfowl and rough shooting to deer stalking. Each sector has slightly different service requirements and different facility needs. Shotguns and rifles are often much valued personal firearms, which need proper maintenance to ensure optimum performance in the field, and secure storage.

Those wishing to apply for the Field Sports Welcome Scheme should display a positive attitude and a genuine desire to meet and anticipate their visitors’ needs.

To become a member you must provide the following and your VisitScotland Quality and Tourism Advisor will verify what the required facilities exist when they visit or for non Quality Assured customers a representative from VisitScotland will arrange to come along and verify.

FIELD SPORTS WELCOME SCHEME FOR SERVICED ACCOMMODATION

1. A separate space should be available for drying outdoor clothing and footwear at an ambient temperature of approx. 30°C, so clothes can dry overnight. Dehumidifier can be used.
